Douglas county boys to the number of 139 arrived here Monday to enjoin for Kelley Field, San Antonio, Texas, and 10 more were at Mountain Grove ready to go, to make up the contingent of 149, when a message was received cancelling the call, owing to the cessation of hostilities, and so they returned home that evening. EVER SALIVATED BY CALOMEL? HORRIBLE!

Calomel is Quicksilver and Acts Like Dynamite on Your Liver

Calomel loses you a day. You know what calomel is. It's mercury; quicksilver. Calomel is dangerous. It crashes into your bile like dynamite, cramping and sickening you. Calomel attacks the bones and should never be put into your system.

When you feel bilious, sluggish, constipated and all knocked out and believe you need a dose of dangerous calomel just remember that your druggist sells for a few cents a large bottle of Dodson's Liver Tone, which is entirely vegetable and pleasant to take and is a perfect substitute for calomel. It is guaranteed to start your liver without stirring you up inside, and can not salivate.

Don't take calomel! It makes you sick the next day; it loses you a day's work. Dodson's Liver Tone straightens you right up and you feel great. Give it to the children because it is perfectly harmless and doesn't gripe.—advertisement.

HEAD STUFFED FROM CATARRH OR A COLD

Says Cream Applied in Nostrils Opens Air Passages Right Up.

Instant relief—no waiting. Your clogged nostrils open right up; the air passages of your head clear and you can breathe freely. No more hawking, sniffling, blowing, headache, dizziness. No struggling for breath at night. Your cold or catarrh disappears.

Get a small bottle of Ely's Cream Balm from your druggist now. Apply a little of this fragrant, antiseptic, healing cream in your nostrils. It penetrates through every air passage of the head, soothes the inflamed or swollen mucous membrane and relief comes instantly. It's just fine. Don't stay stuffed-up with a cold or nasty catarrh.

GOV. F. D. GARDNER SENDS A MESSAGE TO BOYS AT FRONT

WORD WILL BE CARRIED BY UNITED WAR WORK CAMPAIGN VOLUNTEERS.

BACK THEM UP HERE AT HOME

Imperial State Will Oversubscribe Its Quota of \$5,000,000 in One Great Campaign Nov. 11, 1918.

"To Missouri Boys: I extend to you the heartiest and tenderest greetings. The people of the state never were so proud of their boys as they are those of their sons now in France and Italy making the supreme sacrifice for the maintenance of American Liberty, and the extension of its divine principles and blessings to mankind everywhere. You are indeed 'Soldiers of the Cross' and makers of a better day and a brighter civilization for God's people—the race of mankind everywhere.

"We at home are making relatively insignificant sacrifices for the great cause for which you are fighting, but God helping us we will do all we can to back you up throughout the war and until victory, acknowledged and conceded victory, crowns your efforts. We know you are going to whip the super-criminals of all ages to a frazzle, and not leave one to advocate the hellish cause of the Hohenzollern. "God bless every one of you."

The above is the text of a letter written by Gov. Gardner, Missouri's chief executive. The message will be borne abroad by Cass Conway, an Indianapolis lawyer, who is giving his service for the period of the war. He will visit the huts, hotels, shelters and dugouts of the Y. M. C. A., the Y. W. C. A., the War Camp Community Service, National Catholic War Council (K. of C.), the Jewish Welfare Board, American Library Association and the Salvation Army—the seven accredited welfare agencies that have joined in a United War Work Campaign, Nov. 11, 1918, to raise \$170,000,000 to carry on their work for soldiers, sailors, and marines at home and abroad.

Wherever he comes across a man from Missouri, Conway will give him the home folks' greetings.

LOW PRICES TO OUR BOYS

Our Fighters "Over There" Can Buy Cheaper Than We Can Here.

A telegram from New York says that hereafter articles supplied to our fighting forces abroad by the Y. M. C. A., the Knights of Columbus, the Salvation Army and the other four organizations making up the United War Work Campaign, will be sold to the boys at exactly the same price as they are sold at the Army canteens.

The boys will thus be supplied with articles at exactly the same price as if supplied by the Quartermaster, which means the exact cost of the article in America.

As an example, cigarettes that sell in Missouri for 15 cents per package will be supplied at the huts for 9 and a fraction cents. Smoking tobacco that sells for 5 cents in Missouri will be sold for a little more than 4 cents there.

This is because the Government will carry the goods free of freight charges. Heretofore the freight charges had to be added to the cost of the goods, which made it appear that the organizations were making a profit, when as a matter of fact the loss was considerable.

Thus, every cent that is contributed to the United War Work Campaign will do double duty. It will buy more in France than it will in America, and your boy's dollar will buy him luxuries that he might have to do without if this fund is not raised promptly.

MISSOURI SETS THE PACE

At National Conference Pledges Over-subscription for United War Work Campaign.

The Missouri district managers of the United War Work Campaign, who attended the national conference at Chicago, pledged that Missouri would raise 50 per cent more than its quota of \$5,000,000 for the fund during the week of Nov. 11-18.

When the Missouri district managers made their pledge to Dr. John R. Mott, the executive head of the seven united organizations that will have the dispensation of the fund managers from other states followed Missouri's lead and pledged large over-subscriptions.

R. A. Cassidy of Baltimore is the campaign director of Missouri. He has an office in the Third National Bank Building, in St. Louis, and is in daily conference with Chairman Hinton and the other officers who are working to make Missouri lead in the glorious work.
